COSC 333, 353, 440, 441, 442, 446, 463, 465, 475	3	
ENDS 101	3	
LAND 321, 421, 442	3	
URPN 202, 401, 483, 493	3	
VIST 305, 405	3	

This minor will require three (3) long semesters to complete.

Eligibility: Students applying for a Minor in Leadership in the Design and Construction Professions must have a 2.5 or better overall GPR at time of request. Application is made in the student's home college or major department, with signature approval from the department of Construction Science.

Student must submit Request for Minor form to advisor in COSC department within two weeks of the date signed.
Minor Department Representative: Larry Fickel, Francis Hall 329B, lfickel@tamu.edu

Satisfactory completion of courses: To be awarded the Minor in Leadership in the Design and Construction Professions and receive transcript recognition, students must obtain a "C" or better in each course listed above.

Transfer courses: The student's home college or major department may grant, subject to agreement from the Department of Construction Science, transfer coursework for the 200-level courses. Transfer credit will not be accepted for any 300 or 400 level course.

Effective date: Students declaring a Minor in Leadership in the Design and Construction Professions must meet all requirements listed in this document to receive transcript recognition.

Upper-level courses: All students pursuing the Minor in Leadership in the Design and Construction Professions must have more than 60 credit hours per COMPASS to enroll in COSC 310.

Advising: Per university guidelines the student's home college or major department is responsible for advising students pursuing a Minor in Leadership in the Design and Construction Professions. However, without signature approval from the minor department you cannot apply for or be placed in this minor

Degree audit: Degree evaluations in COMPASS will certify during the graduating semester that students have met the requirements for the minor. This minor will be recognized after graduation on the transcript, but not on the diploma. Once declared, minor requirements become graduation requirements.

I request the Minor in Leadership in the Design and Construction Professions be added to my degree requirements and I understand that I must have/know the following:

1. Minimum of 2.5 overall GPR at time of request
2. To make a grade of "C" or better in **all** minor coursework
3. Must have more than 60 credit hours per COMPASS to enroll in COSC 310
4. It will take at least three (3) long semesters to complete this minor
